Income and Assets	
DTI	<p>Maximum DTI:</p> <ul style="list-style-type: none"> • LTV/CLTV up to 85: 50.000 • LTV/CLTV above 85: 43.000
Applicant Eligibility	<p>Applicants generally must have been self-employed for at least two years. Periods of self-employment of 18 or more months may be acceptable with compensating factors including added reserves, a maximum LTV/CLTV of 80, and previous experience in the line of work-see Underwriting Guidelines for additional information. A CPA, EA, or licensed tax preparer letter or equivalent document verifying self-employment must be provided in all cases. The most recent bank statement in file must be no more than 120 days old at the note date. At the underwriter's discretion, current business existence and operations may be re-verified prior to closing and updated bank statements may be required.</p>
Documentation Requirements & Calculation Methods	<p>Personal Bank Statements</p> <p>Provide the most recent 12 or 24 months of personal bank statements. Evaluate deposits to verify that they are part of Applicant's income stream. Transfers from the Applicant's business account may be utilized. Any that is abnormal to Applicants typical deposits must be sourced/documentated to be considered as part of income. Total all eligible deposits and divided by number of statements provided to determine monthly income. Provide the most recent 3 months of business statements to verify that income is coming from Applicant's business. Transfers from only one account are allowed. Transfers between personal accounts are not considered income. An applicant who provides personal statements but does not meet the above outlined criteria will have their statements treated as business statements.</p>

	<p>Business Bank Statements Provide the most recent 12 or 24 months of business bank statements. Multiple accounts may be used; however, the same calculation method must be applied across all accounts provided. The Applicant(s) combined must own 25% or more of the business to utilize business bank statements.</p> <p>Method 1 Tiered Uniform Expense Ratio A 50% expense factor will be applied. For Applicants in a service business, a completed Self-Employed Business Narrative Form completed by a CPA, EA, or licensed tax preparer may be provided for a business where the bank statements will be evaluated. This option provides flexibility on the expense factor. See Underwriting Guidelines.</p> <p>Method 2 Profit and Loss Statement Provide a CPA, EA, or licensed tax preparer prepared profit and loss statement covering the period of bank statements provided. If business statements support eligible deposits of at least 75% of the gross receipts listed on the P&L, use the net income on the P&L for qualifying based on the Applicant's pro-rata share of ownership. Any abnormal deposits will need to be sourced and documented. Income utilized to qualify must be reasonable based on the Applicant's line of work.</p> <p>Method 3 CPA Letter for Expense Ratio Provide a letter from Applicant's CPA, EA, or licensed tax preparer stating the business' expense ratio based on the most recent year's tax return. The letter may not include any exculpatory language. Multiply the expense ratio by the business' total deposits over the period shown on bank statements. Deduct that figure from the total deposits. Multiply net deposits by the Applicant's pro-rata ownership percentage and divide by the number of statements provided. Income utilized to qualify must be reasonable to the Applicant's line of work. Income utilized to qualify must be reasonable based on the Applicant's line of work.</p> <p>All Methods: Comingled accounts will be treated as business accounts for purposes of determining income.</p> <p>NSFs/Overdrafts: Excessive NSF/Overdraft occurrences may require explanation from the Applicant. See Underwriting Guidelines for additional details.</p> <p>Income trend: Bank statements should show a stable or increasing trend. If the trend is declining and/or irregular, additional documentation may be required at underwriter's discretion.</p>
<p>Co-Applicant Options</p>	<p>Full documentation from a Co-Applicant who is not self-employed may be used to supplement bank statements. See full documentation guidelines for additional information on acceptable sources. Taxable income is counted on a "gross" amount regardless of the net deposit shown on bank statements.</p>
<p>Other Income Sources</p>	<p>Rental Income Utilize 75% of the current lease income less PITIA on a net basis. Do not include rental deposits as part of the bank statement income stream. Document receipt of rental income. Rental income may not be used to qualify on a vacant unit, except on the subject property on a purchase transaction.</p> <p>Other Income Sources Applicants who have supplemental income sources may utilize them to qualify provided the history of receipt and continuance requirements under the full documentation guidelines are met. The Applicant utilizing 1099 income must still earn the majority of their income from self-employed activity. The acceptable</p>

	supplemental income sources are limited to: social security, pension, alimony, child support, asset distribution/utilization, and second job income.
Asset Accounts	<ul style="list-style-type: none"> • Use 100% of cash and cash equivalents • Use 90% of face value for non-retirement asset accounts • Use 80% of retirement assets if Applicant is under 59.5, 90% if over • If Applicant is liquidating funds, evidence of liquidation may be required-<u>see Underwriting Guidelines</u> • 1031 exchanges eligible for investment properties-<u>see Underwriting Guidelines</u> • Business funds may be used provided the Applicant(s) own(s) a minimum of 50% combined ownership of the business. The amount of funds that may be utilized is based on the Applicant's percentage of ownership. One of the following must be provided: <ul style="list-style-type: none"> ○ A letter from Applicant's CPA, EA, or licensed tax preparer stating that the Applicant(s) may access the business funds, and that the withdrawal will have no adverse impact; or ○ A cash flow analysis completed by underwriting-<u>see Underwriting Guidelines</u> • Cash out proceeds MAY be used to meet the reserve requirement at a maximum of 75 LTV/CLTV • Eligible cryptocurrency may be used for funds to close and reserves-<u>see Underwriting Guidelines</u> for allowable types of cryptocurrency and requirements including liquidation.
Gifted Funds	<ul style="list-style-type: none"> • Gift funds are allowed for funds to close. A 5% contribution from Applicant's own funds is required on primary or second homes. Investment properties require a 5% contribution for LTV/CLTVs up to 80 and 10% over 80. No minimum Applicant contribution is required for primary residences with an LTV/CLTV <=80, except as otherwise specified. • Gifts must be documented in compliance with FNMA requirements -<u>see Underwriting Guidelines</u>. • Gifts of equity are allowed, max 75 LTV/CLTV. No applicant contribution is required on a primary residence or a second home. Not allowed on investment properties. • ITIN or DACA Applicants require a minimum 10% contribution from their own funds.
Liabilities	
Alimony/Child Support	Alimony may be deducted from income rather than included as a liability, provided the alimony payments are tax deductible to the payor. Otherwise, include as a liability. Child support must be included as a liability.
Installment Debt	Installment loans must be included in the DTI. Installment debt with less than 10 months' worth of payments remaining may be excluded from DTI, if the Applicant has the assets to make the remaining payments. Applicants may pay down the debt such that the remaining balance is less than the sum of 10 months' worth of payments. The assets used must be sourced. Loans secured by financial assets (margin loan, 401(K) loan, etc.) do not need to be included in the DTI provided the asset balance exceeds the loan balance.
